Dear Mr. Bialik:

The Taxi and Limousine Commission (TLC) has completed an aggregate analysis of trip data for the period January 2015 through August 2015 for For-Hire Vehicle (FHV) bases (other than those affiliated with Uber) that submitted trip data in accordance with the formatting requirements specified by the TLC. Both TLC vehicle and TLC driver license numbers have been withheld pursuant to Article 6 §87(2)(b) of the New York State Public Officers Law. The TLC is still in the process of reviewing individual trip data submitted by FHV bases in order to ensure that no personally identifiable information is contained in the data. Please note that this analysis was completed by the TLC using raw trip data submitted by for-hire vehicle bases. Therefore, the accuracy of this analysis is limited to the accuracy of the data provided by the for-hire vehicle bases.

You may file an appeal concerning the information in your request which has been denied within thirty (30) days of the date of this letter in writing to Mr. Christopher Wilson, General Counsel at the following address:
