Dear Mr. Bialik:

The New York City Taxi and Limousine Commission (TLC) has completed an aggregate analysis of trip data for the period January 2015 through June 2015 for the following For-Hire Vehicle bases affiliated with Uber:

1. B02617 –Weiter LLC
2. B02598 – Hinter LLC
3. B02682 – Schemecken LLC
4. B02764 – Danach-NY LLC
5. B02512 – Unter LLC
6. B02765 – Grun LLC

The aggregate analysis includes the dispatching base number, the pickup date, the affiliated base number and pickup location based on taxi zone for each trip completed by a for-hire vehicle affiliated with the aforementioned bases. Both TLC vehicle and TLC driver license numbers have been withheld pursuant to Article 6 §87(2)(b) of the New York State Public Officers Law. The TLC is still in the process of reviewing individual trip data submitted by the bases in order to ensure that no personally identifiable information is contained in the data. Please note that this analysis was completed by the TLC using raw trip data submitted by for-hire vehicle bases. Therefore, the accuracy of this analysis is limited to the accuracy of the data provided by the bases.

Please visit the following links in order to obtain the aggregate trip data, the TLC taxi zone shapefile, the TLC taxi zone lookup table and the TLC taxi zone reference map:
